Week Beginning 22.02.2021

The DGS Transitions Team would like to invite you to our second P7 Parent/Carer Information and Q & A Session of this academic session. Please note that for this second evening, all primaries have opted to use Google Meet. These sessions will provide the team with an opportunity to once again meet with P7 parents/carers to discuss transition in place of physical meets which are unable to take place at this time. Google Meet links will be sent out by your primary school on the day of the meet.

Topics of discussion in this second round of Google Meets include:

- Update regarding Transition in light of Covid-19;
