Child Protection and Safeguarding Policy

2022-2023

Rationale

The UN Convention on the Rights of the Child

Article 28 (protection from violence, abuse and neglect)

Children are protected from all forms of violence, abuse, neglect and bad treatment².

Within our school and ELC we aim to create an environment in which all pupils are safe and feel safe in school. There is a strong, robust and proactive response from adults that reduces the risk of harm to children. Adults working with them know and understand the indicators that may suggest that a child/young person is suffering or is at risk of suffering harm. (How Good Is Our School? 4th Edition)

Child Protection is both a professional responsibility and a corporate duty for all staff in Argyll and Bute. Dunoon Primary School is committed to ensuring that procedures are in place to secure the care, welfare and protection of all its pupils. The school promotes good relationships amongst staff and pupils' and encourage pupils' to show concern and understanding of others. This policy upholds the procedures that are in place to support pupils and protect them from harm, abuse and neglect. It will ensure that all staff are vigilant about pupils' health and safety, are aware of their roles and responsibilities and it is everyone's responsibility to ensure that children are protected from harm, abuse and neglect.

Curriculum

Safeguarding is a golden thread that runs through the curriculum. The aim is to support the development of learner's knowledge, skills and resilience to keep themselves safe and protect themselves and to develop an understanding of the world so that they can respond to a range of issues and potential risky situations arising through their lives. As such, it permeates many features of the education experience. (Argyll & Bute Education Management Circular No 3.23)

Children are taught about safeguarding, including online safety, through teaching and learning opportunities as part of a broad and balanced curriculum. This is in order to help children stay safe, recognise when they do not feel safe and identify who they might or can talk to.
